Specific location information

- Under the rental contract, authorised persons can present a piece of official identification in our packaging shop in order to access the storage unit during opening hours.
- On request, the lessee can be issued with a key for unlimited access. The key grants you access to the building and your storage unit. Please close all doors and gates behind you!
- **Storage units 1 to 90 are located at the front of the building in the basement.**
(Access via main entrance, side entrance and garage.)
- **Storage units 301 to 353 are located at the back of the building on the ground floor.**
(Access via south ramp at the opposite end of the property.)
- Motion sensors turn on the lights automatically in the corridors. The lights will turn off again automatically after a certain period (there are no light switches).
- Running water and WCs are available in the garage and next to the southern ramp.
- Deliveries can be made via the ramp at the main entrance or the southern ramp.
- Visitor parking spaces are available in front of the packaging shop.
- Smoking is strictly prohibited on the premises of w. wiedmer ag!
- Please note that the area is to be left tidy and all equipment must be returned to its designated location. Please take any waste with you and dispose of it privately.
